

A day of gratitude

On Friday, March 11, Sandra Pilkington owner/operator of True Scarlette open her doors to the businesses and the public for a day of gratitude.

Sandra wanted to thank all her clients for what has been a great first year in business and let them know she is still going strong. With new spa services being added to her already wide variety of treatments including tanning Sandra is always welcoming new clients to experience a day of pampering. When talking with Sandra she did admit it was not an easy year and she learned so much about being an owner and all the extra work that goes into it.

She was very thankful for her wonderful front line staff and the assistance she has received from Sharron Clayton in the Marketing area. To show her appreciation upon coming to the Open House you could have your name entered into a draw for a night at the Teddy Bear Bed and Breakfast, dinner for 2 at the Granite and Bancroft Taxi is donating a ride to and from the Teddy Bear. The day could not have been possible without the generosity of Old Tin Shed, Trisha Hearn at the 'Hair' itage house, Teddy Bear Bed and Breakfast, The Granite, Ambient Glow, Bancroft Taxi and JINX Catering.
