On May 26 was our monthly potluck, with 29 people in attendance. Bill English, our president, said grace; the food was plentiful. Our 50/50 draw winner was Warner Schroder. We also had a plant draw. Wendy Taxis, Connie Sutherland, Phyllis Pitchard, Anna Wilson, Pat Green, Bill English, Jenny Adams, Gail, and myself all won a beautiful plant.

Our special guests were the Joyful Ringers, our local bell ringers group. These 12 amazing ladies performed a few songs, and had our little crowd singing along with them while they played. We presented them with a donation and a card for coming and entertaining us. We also presented Susan Beirworth with a card to show her our appreciation for all her hard work at our club.
